Sharp, sought after 2000 Mustang convertible, 3.8L, 4 cylinder w/ Cobra Rims. Top replaced 2 yrs ago. New alternator 1 1/2 yrs ago. Approximately 160,000Mi. New tires put on front last summer and back in Dec. This car was supposed to go to my son whom I lost to suicide in Oct. 2020 and I just can't keep looking at it. Great running car. Willing to negotiate. Don't let this one get away! Perfect Summer car!!!
