Price:

1200.00 \$

Good puppies for good homes. Whether you use them in the field or not, they come from great lines and will make outstanding hunters as well as good buddies. The Sire is a very well-credentialed NVHDA and both the Sire and Dam are versatile hunters. The pups all have good distinct personalities and I can help get the best fit for what you are looking for. Again, we all know GSPs are energetic, yet, momma is relatively calm around the family and very obedient. You will appreciate these puppies as hunters and good companions. I can provide more individual pics and vids if you are interested and answer any questions you might have. Message me at 303-913-1268 or shoot me an email at luke.geer@gmail.com

I only have 3 males left!
